of their wealth by the combined manipulations of the power elite.

HOW MUCH DID YOU LOSE?

If this doesn't shock you awake, nothing will.

The Water Watch mind map is our Reformation Guide to enlightening all people who would make it their cause to preserve the freedoms of the Internet, one of the last bastions of genuine freedoms of speech and religion in our world today. Freedom of speech and religion are threatened by a host of dark acts to subtly but surely take them from all people so the power elite of the world may further guarantee their continued confiscation of the world's wealth.

Forewarned is forearmed.
